Manuscript Title: **Enzigest™ An Effective and Safe Therapeutic Option for Symptomatic and Supportive Management of Exocrine pancreatic insufficiency**

Respected sir,

I/we certify that I/we have involved in contributing to content, idea, data collection work, statistical process, referencing, or any other form of work etc. of this work or the analysis and to take fully volunteer responsibility for and have agreed to have my/our name listed as a contributor. I/we believe that the submitted work is valid & Neither this manuscript nor one with substantially similar content under my authorship has been published or is being considered for publication anywhere, except as described in the covering letter.

Financial matter benefits that may be perceived to exist for contributors in relation with the content of this paper have been disclosed in the cover letter.

Sources of any government as well as nongovernment outside support of the submitted work are mentioned in the covering letter.

I/we also agree that all the work is original and not published earlier anywhere in any form. However IJBAMR will not be responsible for such matter. It will be full responsibility of authors regarding any mode or matter.

I/We hereby transfer(s), assign(s) all copyright ownership, including any and all rights exclusively to Indian Journal of Basic & Applied Medical Research including copyright; the right to grant permission to republish the article in whole or in part, with or without fee; the right to produce preprints or reprints and translate into languages other than English for sale or free distribution; and the right to republish the work in a collection of articles in any other mechanical or electronic format.
